NIGERIAN NATIONAL PETROLEUM CORPORATION

CENTRAL BUSINESS DISTRICT, HERBERT MACAULAY WAY, P.M.B 190, GARKI, ABUJA.

May 24, 2017

It is with pleasure that I write this letter of reference for QuakeWrap, Inc. The Company has successfully executed a Pile repair Project for our Company in Portharcourt, Nigeria with the following scope:

- i. Provision of requisite Engineering, Procurement, Installation, Testing and Commissioning to restore the structural integrity of the 92 nos., 720mm diameter concrete filled encased Jetty 'A' Steel Piles using Carbon Fiber Reinforced Polymer (PileMedic® System materials)
- ii. Provision of patented PileMedic® System materials
- iii. Visit to QuakeWrap® Facilities in Arizona, USA by NNPC representatives to witness Factory Acceptance Test on the Patented PileMedic® System prior to shipment,
- iv. Carry out onsite supervision and Training of NNPC / Nigerian sub-contractor staff on the Surface preparation and application of the Patented PileMedic® System

It is pertinent to note that the project is successfully completed, and I am glad to tell you and want to thank you that we are very pleased the way your staff treated us, giving us the best on the job supervision / training and during our visits for the Factory Acceptance test.

We would like to work with you in future as well.

Thank you again.

Engr. Tahir Ahmed
Project Engineer
